The following is an examiner's statement of reasons for allowance: The instant application is deemed to be allowable over the prior art of record, because, while the closest prior art reference of record (EP 812891) discloses coating compositions derived from fluorinated prepolymers and fluoropolyether diols, the reference fails to disclose or render obvious the use of applicants' claimed biuret of hexamethylenediisocyanate (component 1.b)).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to Rabon Sergent at telephone number (571) 272-1079.
